SUMMARY

Noonu seating system	4
Rooms available	8
Finishes	38

Noonu is an archipelago named after a sandy atoll of the Maldives and represents the new wonderful sofa of B&B Italia for 2021.

Noonu is like a soft island floating on the water.

A new seating system generous in size and colorful.

As Citterio says: “Noonu is a real domestic island”. An island that can use the straight and curved lines of its elements to dialogue with the walls but also to live the centre of the room and create true dynamic isles.
