B&B Italia Masterguide

APRIL 2021

SUMMARY

Noonu seating system	4
Rooms available	8
Finishes	38

Noonu is an archipelago named after a sandy atoll of the Maldives and represents the new wonderful sofa of B&B Italia for 2021.
Noonu is like a soft island floating on the water.
A new seating system generous in size and colorful.

As Citterio says: “Noonu
is a real domestic island”.
An island that can use the
straight and curved lines
of its elements to dialogue
with the walls but also to live
the centre of the room and
create true dynamic isles.
