On the order please specify: profiles in rope, dark grey, tortora, brown or dark brown eco-leather (back cushions excluded). Base-frame in bronzed nickel painted aluminium. The product in fabric version (velvet excluded) has the eco-leather profiles; the product in leather version has the profile stitching. The version with profile stitching is realizable only in matching tone. The fabric version has removable covers. For checking the feasibility of the covers for each item code, please refer to the dedicated list of fabric/leather-product matching.

The product is realized to size in width and depth as the dimensions indicated on the drawing, to specify on the order. The elements realized to size have the internal frame in wood. For comfort reasons it is not possible to match standard elements with elements to size. The back cushions are not included, on the order please specify quantity and codes.
